

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: January 17, 1996

SUBJECT: **HB 1949**

This bill, if enacted, will exempt a dam located in Loudon County, on a creek, constructed with private funds, from the enforcement provisions of the "Safe Dams Act of 1973."

The fiscal impact from enactment of this bill is estimated to result in a decrease in state revenues; however, since the safety inspection fee from only one dam in Loudon County will not be collected, such decrease is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
